

# *The Milestone Hotel*

Dear Guests,

*I am delighted to welcome you to The Milestone Hotel, my name is Lia and I am the Cellar Master.*

*I come from the town of Metz, in the beautiful North East region of France called Lorraine which is famous for its gastronomy, Cathedral and Art Museum.*

*My passion for wine and food came at a young age as generations of my family have owned restaurants, a hotel and wine shop. I spent my childhood in the kitchen doing my homework, surrounded by exciting service and amazing aromas for the stove.*

*As I grew older I worked in my Uncles restaurant during my free time and weekends. He was a popular Sommelier in the area and his exceptional knowledge and teaching developed my passion for wine.*

*I have been very fortunate and have worked for famous chefs and great Sommeliers and I continue to increase my knowledge of wine through preparing for my Advance Level of Master Sommelier Certificate.*

*At the Milestone Hotel I have created a wine list with a wide selection of wines from all over the world. I believe wine and food need to be enjoyed together as a wonderful experience of pleasure and delight, so please let me have the opportunity to assist you with your choice of wine for your meal.*

*In Vinos Veritas*
