HOTEL

Your Pillow Menu

For your comfort your room is already set up with luxurious goose-down pillows, however please dial zero (0) if you would like to try any of the pillows listed.

Aromatherapy Pillow

Lavender scent- If you ever needed a cure for a sleepless night this is it. A pillow filled with soothing Lavender. Simply rest your head drift into slumber.

Neroli scent- Derived from the orange blossom flower, it is noted for its soothing stress relieving qualities.

Anti Snore Pillow

This unique pillow is not only designed to prevent snoring but also assists in relieving back and neck pain. It is medically shaped to support the head and neck in exactly the right position to promote clear, open breathing.

Posture Perfect

Total support for your neck and spine. This pillow is designed with cervical extension to support the vital upper vertebrae of your spine to reduce stiffness and tensions. Ideal for reading in bed.

Buckwheat Pillow

Buckwheat moves to conform to the hollow of your neck to place your head level with your spine promoting ideal posture. Users claim that they experience relief from tension, muscle pain, headaches, stress, snoring and other problems associated with sleep apnoea.

Memory Foam Pillow

Relax with this pillow which gives even distribution while you are supported and moulds into your shape. The pillow re-adjusts to ensure weight is distributed evenly.

Foam Pillow

A non-allergenic pillow especially designed to provide a healthier sleeping environment.

Body Pillow

For use during pregnancy and post birth, moulds to the shape of your body when lying down to provide extra support for your bump and to aid restful sleep.
