

The Milestone Hotel

Dear Guests,

It's a pleasure for me to have the opportunity through these few lines to introduce myself.

My name is Thomas and I am the Cellar Master here at Milestone Hotel & Apartments.

I was born in France near Jurançon in the beautiful South West region. France is a well-known country worldwide for its wines diversity. The Southwest region of France is particularly recognised for its Gastronomy and for wines such as the Petit Manseng or Tannat.

My passion for wine and gastronomy started at a really early age since my grand mother is an amazing cook and I loved to help her in the kitchen when I was younger during my spare time.

In order to extend my experience, I decided to move to Berkshire in 2003. After one year spent working as a sommelier with Eric Zwiebel, one of the best sommeliers in the world, I decided to move back to France where I've worked in Provence, with Franck Thomas, Ruinart Best Europe sommelier 2000. During this time I was the winner of the Guy Blandin trophy and in 2006 my wine knowledge allowed me to qualify in 1st position for South of France after the written part of Ruinart competition.

At the Milestone Hotel & Apartments, I have created a wine list with a wide selection of wines from all over the world.

Please let me have the pleasure to recommend and assist you with your choice of wine for your meal.

I really hope you will enjoy a wonderful Food & Wine experience at Cheneston's Restaurant

With kind regards

*Thomas Lamude
